HCS D Drive-Thru COVID-19 Rapid Testing Option

Hello Holland Families,

Effective Monday November 23, Holland CSD was designated as a “Yellow Zone” under the New York State Cluster Action Initiative. Schools with this designation must randomly test a 20% sample of their faculty, staff, and students for COVID-19 to remain open for in-person, hybrid instruction.

For those randomly selected for testing, Holland Central School District is offering the following options:

1. Testing that will be conducted during the school day for students whose parents will permit the test to be administered without being present with their child

--OR--

2. An after-hours drive-thru option for families who would like to accompany their child during the testing process.

If you have already given consent for your child to be tested as part of this program and wish to accompany, he/she for their test, if they are selected, please complete the form linked below. **Note—if you have already consented, and do not submit this form, we will assume it is OK to administer a test without the parent/guardian present.**

Click here → [Drive-Thru Testing](#) to complete the form

Please complete by Wednesday, November 25, 2020 at 3:00 PM.

If your child is selected for testing, know that they will receive a free diagnostic test for the COVID-19 virus that will be administered by a trained, licensed practical nurse (LPN), or registered nurse (RN). You can view information about the test here: <https://bit.ly/2Um55oU>. If your child tests positive, Holland CSD will notify you within 24 hours. You will also receive official notification with further instructions from the Department of Health. If your child tests negative, no communication home will occur. Please email HCS_Consent@hollandcsd.org (HCS_Consent@hollandcsd.org) for questions or concerns.

Sincerely,

Holland Central School District
