## BEHAVIOR

Students committing serious acts of misbehavior will immediately be dismissed from Summer School. Fighting, vandalism, stealing, or the threat of harm to another person are some reasons a student could be dismissed.

## CLASSROOM BEHAVIOR

Students who are repeatedly disruptive or interfere with the teacher's authority in the classroom will be released from summer school.

## POSSESSION OF DRUGS, TOBACCO OR VAPING PRODUCTS

Possession (having a product on you even if you are not using it) will result in immediate suspension.

## VISITORS

Visitors will not be permitted on campus at any time. Permission will not be granted to bring friends or relatives to class.

## CLASS PARTICIPATION/ATTENDANCE

Class participation is an integral part of a Student's ability to gain credit in Summer School. Class participation will be weighted heavily into grading during the Summer Academy. **A student is able to miss 2 classes.** After that, the student will be removed from the summer program, regardless of the reason. **There will be no exceptions to this rule.** A drop notice will be sent to that student's guidance counselor as well. Appointments, vacations, or camps are not excused absences.

**Disclaimer** Any student who intentionally damages school property will be held financially responsible and is subject to dismissal. Students are responsible for any equipment issued to them. It is the student's responsibility to guard these materials. If equipment is lost or damaged, students will be financially responsible. Final Grades will be withheld until fines are paid.
