

Holland PTO STUDENT ENRICHMENT DRIVE

On behalf of the Holland Central School PTO, we would like to welcome you to the 2020-2021 school year! Please consider supporting the HCSD students through our **STUDENT ENRICHMENT DRIVE** at one of the following levels. Your support allows us to provide unique learning tools for the school, classroom enrichment, assemblies for all students, grade level speakers, scholarships for Holland Seniors and other fun activities such as skate/swim night.

BRONZE: \$5.00 SILVER: \$10:00 GOLD: \$20.00 PLATINUM: \$30.00

****Give at the Gold Level or above and we'll send you a [Holland reusable bag/tote](#).****

Your support will give you a PTO Membership and the satisfaction of knowing that you are an important part of the Holland Central School Community. You are not committing to anything else, at this time.

We will be contacting you throughout the year for various opportunities. We may ask you to bake cookies, volunteer for a fundraiser, donate items or chaperone an event. The possibilities are endless. **BUT** we cannot be successful nor make *OUR PTO work for OUR SCHOOLS* without your help. Please be open to our communication when we contact you. In addition, we need your presence at our meetings. Come to one or come to all of them. Check the Holland PTO Facebook page or our Holland PTO Website for dates and times of meetings.

Please contact Kim at kslowhisky@yahoo.com with questions.
